

Our Student was awarded the Certificate of the University-based Credit-bearing Course 2006

Congratulations to our S. 5 E student, Ho Yik Tung (right), who was awarded the Certificate of the University-based Credit-bearing Course 2006. He took the “Week-End Mathematics Training Course 2006”. The course was organised by the “EMB - Support Measures for the Exceptionally Gifted Students” and conducted by the Hong Kong University of Science and Technology. Yik Tung completed the course with distinction. He shared the joy with his teacher, Mr. Chau Kwai Sum (left), after the Certificate Presentation Ceremony.
