

## The School Policy Forum

The School Policy Forum organised by the Students' Union was held on 22<sup>nd</sup> May, 2006. Students had a good discussion on the school policies and contributed a lot of ideas. The principal, two vice principals and teachers attended the forum to listen to the students' opinion.

The School Policy Forum got start!

Teachers responded and will further consider their opinions

Students put their heads together to contribute their ideas so as to build up a dream school.

Students put their heads together to contribute their ideas so as to build up a dream school.

While the students were reporting, teachers and other students listened attentively.
