There will be 30 students, teachers and social workers from the Yang Memorial Methodist Social Services visiting the Guangxi Teng County between July 5th to July 8th, 2006.

They will bring the fund and conduct voluntary services there. We are sure that they can gain valuable experiences there.

The Working Group on National Education of the Commission On Youth and the Committee on the Promotion of Civic Education has agreed to sponsor part of students' travelling expenses to Guangxi under the Community Participation Scheme for Organising Study Tours to the Mainland (2005-06).
