

Outstanding Achievements

輝煌成績

Hong Kong Physics Olympiad 2007

Our student, Shiu Yeuk Yi from S. 6C was awarded Second Honour in the Hong Kong Physics Olympiad 2007.

Organising bodies: Education Bureau, Hong Kong University of Science and Technology, Physical Society of Hong Kong.

Purpose: It is held to promote local physics education and provide a platform for students with high potential in physics for further enhancements.

Our Student, Shiu Yeuk Yi from 6C (second right), was awarded Second Honour in the HK Physics Olympiad 2007.

Shiu Yeuk Yi shared his joy with his teacher, Mr Lam Pui Chow, after the prize-giving ceremony.
