### The Young Advocates Programme

---

Tam Chung Him (S.7C) has been selected as a pioneer advocate in the Young Advocates Programme, a project organized by the British Council and the Hong Kong Paralympics Committee and Sports Association for the Physically Disabled. Chung Him, together with 19 other advocates in Hong Kong, will help to raise the profile of the games in Hong Kong. They will also meet with a global team of young advocates from other countries in Beijing to promote activities related to the Paralympics.

The school is proud of Chung Him's achievement and believe that his participation will help to make the event a meaningful one to the disabled.
