

Outstanding Achievements

輝煌成績

Hong Kong Physics Olympiad 2009

Our S. 5E students, Hui Ting Wai and Li Andrew Boshi, participated in the captioned competition co-organized by the Hong Kong Academy for Gifted Education (HKAGE), the Education Bureau (EDB), the Physical Society of Hong Kong and the Hong Kong University of Science and Technology (HKUST). They won the Second Honour prize and had been enrolled automatically in their “Physics Enhancement Programme”.

Congratulations on their achievements and best wishes to their studies in the said programme.
