Students can study 3 electives in addition to the 4 core subjects (Chinese Language, English Language, Mathematics and Liberal Studies) in the New Senior Secondary Curriculum and the school has therefore organized a great number of activities about elective choices for S3 students this academic year to help them understand the New Senior Secondary Curriculum, to discover their interests as well as abilities, and to prepare them to choose the most suitable electives to study. The Academic Affairs Committee and the Career and Life Planning Committee will jointly hold the captioned seminar for parents and students as introduction to the elective choices in the next academic year. Time: 3:00 p.m. to 5:00 p.m.

Venue: School Hall
