認識環境

談怎樣處理怒氣)

- Read books on how to manage my emotions.

I can tell this goal is achieved from the following:

- I can manage my emotions better than before, and do not lose my temper as easily as before.
- My relationship with other people, such as my schoolmates, teachers and family members, improves.

3. Goal: Research the senior secondary elective subjects that interest me

Action Plan:

- Speak to the senior form students (at least ____) who take the elective subjects.
- Browse through the textbooks and or DSE papers of the elective subjects in the library.
- Pay attention to teachers introducing the elective subjects during lessons or subject selection talks.

I can tell this goal is achieved from the following:

- I know what the elective subjects are about and what abilities they require.
- I can make informed choices with more confidence.

4. Goal: Explore two university programmes that I am interested in

Action Plan:

- Find out what universities offer the programmes.
- Read the description of the programmes.
- Find out the entrance requirements for the programmes.

I can tell this goal is achieved from the following:

- I know what the programmes are about and their requirements.
- I can review my interest in the programmes.

5. Goal: Serve as a leader in any team/organization/group in school

Action Plan:

- Draft the mission of the team/organization/group.
- Pay attention to the duties of work expected in my position.
- Fulfill my duties with the best effort.
- Reflect on the areas that give me satisfaction and areas that give me challenges.

I can tell this goal is achieved from the following:

- I can share with my classmates/ parents about the satisfaction and challenges experienced as a leader in my position.
- I understand the importance of working with others in a team.
- I have a sense of success and feel motivated to serve others.
