Carmel Secondary School

Annual School Plan 2022-2023

Mission Statement

To provide whole-person, quality education based on Biblical truths to students in the moral, intellectual, physical, social, aesthetic and spiritual aspects of their lives so as to: enhance their academic aptitude; realise their potentials; bring them to know God and understand His Word; and build up their character and self-discipline; that they may grow up in faith, hope and love, hence establish themselves in society, care for their country and community, serve mankind, and glorify God.

School Objectives

1. Provide quality education: Realise the potential of all students so that they can think independently, cope with changes and possess sound knowledge and skills.
2. Nurture the whole person: Bring students to know God with Biblical truths and personal testimonies, nurture their character in an all round manner so that they may grow up healthy in body, mind and spirit.
3. Inculcate moral beliefs: Through civic education, instil in students wholesome moral beliefs, self-discipline and help them become virtuous persons.
4. Enhance learning capacity: With lively teaching methods, guide students to play an active role in their learning and become self-directed learners so that they will strive to the best of their abilities in every respect.
5. Develop language skills: Develop student's reading, writing, listening and speaking skills so that they possess a good command of written Chinese and English and speak fluent Cantonese, Putonghua and English.
6. Foster inter-personal relationships: Develop students' sense of community so that they can interact sincerely with others, and help, accept and appreciate each other.
7. Organise extra-curricular activities: Discover student potentials in sports, music, art and social interactions, and provide opportunities for their growth and development.
8. Participate in community affairs: Broaden students' horizons so that they understand and care for their country and community, contribute themselves to society and lead fulfilling lives.
9. Stimulate creative powers: Foster students' creativity and help them see things from a variety of perspectives, thus inspiring and encouraging them to attempt new things.
10. Build up resilience: Guide students to face adversities with courage and perseverance, so that they do not give up easily and have the resilience to overcome challenges in life.

Major Concerns: Take Charge of Learning. Live by Values.
